Discipline Policy

The camp strives for an atmosphere that enhances a child's sense of belonging, accomplishment, security, and self-esteem. Staff are trained to deal with the usual issues that arise when children interact. This ensures each camper's enjoyable camp day. If a camper is found to be repeatedly interfering with the enjoyment of other campers or staff members, an Imhotep Administrator will intervene reminding the camper of his/her responsibility to behave in an appropriate manner. An Imhotep Administrator may choose to enforce an appropriate disciplinary action (i.e., time out, a discussion, loss of free time, etc.) which is consistent with the philosophy of the camp, and which supports the camper's dignity.

If a camper should continuously disregard the rules and maintains a pattern of disruptive behavior, an Imhotep Administrator will then immediately notify the parents of the disruptive behaviors and the parents will be asked for assistance in developing a course of action that will be effective in changing the behaviors to appropriate ones. A camper who does not respond to this intervention will be considered insubordinate.

In keeping with the philosophy of maintaining a positive experience for our campers and to ensure the safety of each child, we have a no tolerance policy for extreme behaviors. These behaviors include, but are not limited to, insubordination (as described above), possession of a weapon or any dangerous material (fireworks, etc.), possession of an illegal substance (i.e., drugs, alcohol, drug paraphernalia, etc.), sexual and/or verbal abuse (including racial slurs or comments regarding sexual orientation), or violation of the **"hands-off"** policy, which states that no camper is to make physical contact with another camper in a manner that is inappropriate to a day camp setting.

We believe that if campers are provided with positively structured activities, they will respond with positive behaviors. We have had very few experiences in which a camper's experience at camp needed to be shortened or terminated. However, for the well-being of each camper and the camp as a whole, the Imhotep Administrators will either suspend or expel if there is a violation of the camp's no tolerance policy.

5-Point Discipline Policy

It is our intention to provide your child with a safe and secure environment. We attempt to create a warm, comfortable, and fun atmosphere that will make your child look forward to coming to camp each day. In order to ensure the quality of this program and the safety of the campers, each participant must follow program rules.

5-Point discipline Policy

Campers are encouraged to practice social skills that will allow them to resolve conflicts and meet their needs without the use of harmful or destructive behaviors. When disciplinary situations occur that requires interventions, an adult provides the child clear explanations as to why specific behavior is inappropriate. They then help him/her find alternative behavior that fits within the camp guidelines of appropriate behavior. These guidelines revolve around concerns for the **safety of all members of the camp.**

Behavior Problems: If the camp staff members encounter behavior problems with any camper,

he/she will first attempt to resolve the problems with the camper. If this attempt fails, the Imhotep Administrators will be consulted, followed by the parents. There is a strict 5-Point Discipline Policy. If a camper gets three Written Warnings during the summer for the same offense, he/she will be dismissed from the program. Each parent/guardian is required to read the following information to his/her camper and sign and return the 5-point Discipline Policy for to Camp. (This must be onfile prior to the start of camp.)

General Summer Camp Program Rules

1. Safety
2. Show respect to all campers, staff, equipment, and property.
3. Keep your hands, feet, head, and other body parts to yourself. We enforce a **“hands-off”** policy, which states that no camper is to make physical contact with another camper in a manner that is inappropriate to a day camp setting. Fighting, hitting theft, destruction of property, etc. will not be tolerated.
4. Appropriate language and dress at all times.
5. Cooperation and participant involvement both in group activities and with other campers

5-Point Policy

1. Verbal Warning
2. Time Out/Activity Privilege Withheld. (Parent/Guardian will be notified at pick-up.)
3. 1st Written Warning (Parent/Guardian will be contacted to pick up their camper immediately and he/she is removed from the camp for the remainder of the day.)
4. 2nd Written Warning (Parent/Guardian will be contacted to pick up their camper immediately and the child will be suspended from camp for the remainder of the day and the 2 following days.)
5. 3rd Written Warning (Parent/Guardian will be contacted to pick up their camper immediately and the child will be removed from the camp program and will NOT be eligible to return during the same season.

Immediate Dismissal

1. Any child who runs away from the staff will be removed from the program for the remainder of the program. If staff cannot convince the children to return, the police will be called. The staff is not permitted to chase after children or leave the site.
2. Any child who harms or attempt to harm himself or another will be removed (physical and/or verbal abuse.)
3. Any child who abuses staff will be removed.
4. Physical violence is not tolerated. The agency reserved the right to dismiss a participant whose behavior endangers the safety of themselves or others.

I have discussed the rules and consequences of the 5-Point discipline policy with my camper and they understand what is expected from them at the camp.

Anti-Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another. Bullying happens when a person or group of people want to have power over another and use their power to get their way, at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, text messaging, instant messaging, and other less direct methods. This type of bullying can also lead to persons being hurt during or between the camp seasons and be especially hurtful when persons are targeted with meanness and exclusion.

At Camp DREAMS, bullying is inexcusable, and we have a firm policy against all types of bullying. Our Camp philosophy is that every camper has the opportunity to acquire the skills, knowledge and self-respect which are appropriate foundations for lifelong learning and personal development. We work together as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories.

Unfortunately, persons who are bullied may not have the same potential to get the most out of their camp experience. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication with their staff and their campers so both staff and campers will be comfortable alerting us to any problems during their camp experience and between camp seasons. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all campers and staff have a great summer at Camp DREAMS.

It is our vision at Camp DREAMS to provide a welcoming atmosphere and a sense of home for all of our campers through our dedication to quality programming, understanding service and inclusion. Imhotep Academy is committed to developing children mentally, physically, and intellectually to have moral values and character traits that positively foster great memories and future success.

In order to ensure that everyone has this positive experience, we want all of our camp families to understand that the physical and emotional safety of each of our campers is our number one priority. Therefore, at Camp DREAMS at Imhotep Academy, **bullying is inexcusable and is grounds for immediate dismissal from camp.**

During staff training and throughout the summer, we work with our staff to identify and stop any incidents that may occur. We understand that boys and girls bully in different manners and that the physical bullying that boys sometimes use (pushing, hitting, kicking) often pales in comparison to the emotional bullying and exclusion that girls use (teasing, gossiping, taunting, etc.). Other forms of bullying include slurs, rumors, jokes, innuendos demeaning comments drawing cartoons pranks, gestures, physical attacks, threats or other written, oral or physical actions.

Each day, we work within the camp to set the expectations of how each of the campers wants and

can be expected to be treated. We are committed to offer a summer camp program that helps campers to see the “common ground” they all have. We know the best way to reduce bullying is to create a positive atmosphere from the start. We have set up our schedule to provide many opportunities for camp unity and understanding.

Each year our campers tell us that one of the most special things about Camp DREAMS is that it is fun and a safe place where they can come as who they are. Our policy is not in reaction to a problem at camp, but rather a proactive approach to offering a wonderful experience to each of our campers. We encourage you to let us know about concerns that you have regarding bullying at camp or any camp related email, instant messages, social media, or other incidents.

We are confident that with our excellent staff training and follow through, solid communication regarding our expectations to campers, and strong partnership with parents that we can be successful in managing this issue.

Parents and Guardians, please take the opportunity to read and sign the Behavior Agreement on the next page with your camper(s). Reading and signing this agreement provides you and your camper(s) knowledge of the expectations for the summer. Please feel free to contact us with any feedback, questions, or concerns. We look forward to your involvement at Camp DREAMS this summer.

Summer Camp Behavior Agreement

Parents: Please take a moment to review the following agreement with your child. Signify that you both understand and agree to each statement by initialing each item.

- I will remain with my activity group as required.
- I will use appropriate language and understand that the use of excessive, deliberate, profane language will not be accepted.
